NEW ROCHELLE BOY WINS IN DECLAMATION

PAUL JENNINGS VICTORIOUS

Thirteen Speakers Representing the Competition of Sixty Schools Try for Hamilton Award

The Fourteenth Annual Interacademic Declamation Contest, conducted by the Department of Oratory at Hamilton College in the interests of "good speaking" among the schools of New York State, was held in the College Chapel last Saturday noon.

The State Preparatory School Championship in declamation was awarded to the New Rochelle High School whose representative, Paul Jennings, won the first prize. Frank Delaney, from the Albany High School, won the second prize. The prizes were $20 and $10. Prof. Calvin L. Lewis, Head of the Department of Oratory, presided. The judges of the contest were: President M. Woolsey Stryker, of Hamilton College; Chaplain L. R. Groves of Seattle, Wash.; Prof. A. P. Mills of the Albany Academy; Mr. D. J. Carter of Herkimer; and Mr. C. D. Wheelock, '13, of Hamilton College.

In its scope the Contest this year was the largest ever undertaken by the College. Over sixty High Schools in all competed for the Championship. Preliminary to the final test, held here last Saturday, were contests at various centers such as Yonkers, Brooklyn, Albany, Binghamton, Utica, Albion. The two best speakers at each of these contests represented their High Schools at the final struggle in the College Chapel. There were thirteen speakers in all.

The winner of the first prize, Paul Jennings, rendered in a very forcible and earnest manner a part of President Wilson's Inaugural Address. Jennings had a striking personality on the platform, a well-polished style aided by an exceedingly pleasant "speaking voice." The second prize was closely contested for by John A. Jones, Clinton High School, and Frank Delaney, Albany High School. The latter, who spoke a selection entitled "The Volunteer Soldier," received the decision.

The contestants in the order of their speeches were as follows: Ethan R. Katz, Boys' High School, Brooklyn, first in Brooklyn contest, presented a "Speech of Vindication;" Clinton Nelson, Nyack High School, second in Yonkers contest, presented a selection from President Wilson's Inaugural Address; Matthew H. Farnum, Schenectady High School, second in Albany contest, presented "Labor and Politics"; Russell Tree, Freeport High School, presented "The Union Soldier"; Joseph Auslander, Eastern District High School, Brooklyn, presented "Capital Punishment"; Julian Gifford, Sidney High School, first in Binghamton contest, presented "The New America"; Milton Steele, Binghamton High School, second in Binghamton contest, pre-

ANNUAL TRACK MEET WON BY CANTON HIGH

THREE RECORDS BROKEN.

New Marks Set in 220-yd. Dash, Pole Vault and High Jump. Manlius Strong Competitor.

Under clear skies which made a perfect field day, Hamilton's biggest event of the year for preparatory schools, Interscholastic Meet, was held last Saturday on Steuben Field. Fighting against thirteen preparatory school teams Canton High School won the meet with 39 points, leading Manlius Military Academy by four points. The contest early resolved itself into a battle between Binghamton, Canton, Cortland and Manlius, though Batavia gave indications of coming up strong. Not till the pole vault was reached could the winners be picked, and first place was in doubt till the last event, the broad jump. The score before the pole vault was Manlius 27, Canton 24, Cortland 20, Binghamton 13 1-2. Then Short and Stiles of Canton captured the first two places in the vault, winning eight points. In the hammer throw and broad jump Manlius won eight points to Canton's seven, but Canton's lead in the pole vault won the meet.

Lots of good stuff was shown by the other teams, and with more men entered they would have made a strong fight for the cup. They declare, however, that they are coming back next year with a bang. Binghamton drew third place and Cortland fourth, scoring 24 and 21 points, respectively. Batavia came next with 17 1-2 followed by Gouverneur with 2 and Cazenovia with 1 1-2. Oakwood and Griffin Corners made one point each. Ilion, Margaretville, Union Springs and Oriskany Falls did not score.

Three Records Smashed.

The big crowd which swarmed out on Steuben Field was well repaid by seeing three records shattered. Only two were broken last year. Owing to an error in preparing the Interscholastic program, the record for the 220 hurdles was said to have been made by Gruno of Colgate Academy in 28 1-5 sec. As a matter of fact Webb of Gouverneur holds the record which he made in 1910. His time was 27 1-5 sec. So it was thought that when Kelley of Binghamton did the low hurdles in 28 sec. a record had been broken. Obviously it cannot stand. Palmer started the record-smashing by lowering the record 1 second in the 220 yard dash, in 22 2-5 sec. The next break came in the high jump. Both Chorley of Manlius and Gilson of Canton tieing at 5 ft. 5 3-4 in. Short of Canton continued the good work by topping the bar at 10 ft. 8 in. in the pole vault, tieing the College record made by Donaldson in 1911. His form was excellent, and he gives promise of breaking records for some time to come. On his last try at 11 ft. he ticked the bar with his finger just enough to send it off the standards. Short's Interscholastic record is two inches higher than the old one.

The warm sun and a slight breeze made an ideal day for the track men and for the 200 spectators. The events were run off rapidly and kept the crowd interested from the 100-yard dash to the relay race. The work of the officials was noteworthy for efficiency, and there was no hitch in the proceedings. The fact that the meet was run off in an hour under the usual time shows that the management was "thar." Only time enough was given between the events to let the track men rest. The management of the meet was under the direction of Ingersoll, '13, to whom great credit is due. Stone's work as Clerk of Course was a factor in the smoothness with which the meet was run off.

Individual Stars.

One of the surprises of the meet was Livingston's slump. Last year with Gouverneur he easily ran away from the field in the distances. This year with Manlius, however, he could make only third place in the mile, fourth in the half, and did not get a place in the two mile run. The work of all the boy athletes was even all the way through, the number of firsts being split up about equally. Short in the pole vault did fine work, and Breese of Batavia and Palmer of Manlius in the sprints came up strong. In the hurdles Kelley of Binghamton and Stiles of Canton; in the distances, Atwater of Cortland and Ferguson of Canton; Sadler of Manlius in the hammer throw and shot put, and Gilson of Canton and Chorley of Manlius led in their events. The score of the meet by events follows:

100-yard dash: 1st Breese of Batavia; 2nd Palmer of Manlius; 3rd Sadler of Manlius; 4th Hutton of Gouverneur. Time 10 2-5.

120-yard hurdles: 1st Stiles of Canton; 2nd Jackson of Cortland; 3rd Edmonds of Manlius. Time 18 4-5.

One mile run: 1st Atwater of Cortland; 2nd Ferguson of Canton; 3rd Livingston of Manlius; 4th Moore of Cazenovia. Time 4 52.

440-yard dash: 1st Howard of Binghamton; 2nd Breese of Batavia; 3rd Stiles of Canton; 4th Briggs of Oakwood. Time 55 4-5.

220-yd. hurdles: 1st Kelley of Binghamton; 2nd Dunham of Batavia; 3rd Howard of Binghamton; 4th Halstead of Cortland. Time 28 1-5.

Two mile run: 1st Bailey of Canton; 2nd Glann of Cortland; 3rd Atwater of Cortland; 4th Foster of Canton. Time 11 58.

220-yard dash: 1st Palmer of Manlius; 2nd Vosburg of Binghamton; 3rd Bieber of Binghamton; 4th Hutton of Gouverneur. Time 22 2-5. (Record)

Half mile run: 1st Atwater of Cortland; 2nd Rouff of Binghamton; 3rd Ferguson of Canton; 4th Livingston of Manlius. Time 2 10.

Shot put: 1st Sadler of Manlius; 2nd Mayn of Manlius; 3rd O'Brien of Canton; 4th Jackson of Cortland. Distance 43 ft. 8 in.

High jump: Tie (Chorley of Manlius, Gilson of Canton); 3rd tie (Breese of Batavia, Kelley of Binghamton). Height 5 ft. 5 3-4 in.

TEAM LOSES AGAIN BUT BEATS HOBART

SECOND GAME A SHUTOUT

Many Errors and Lack of Team-work Bring Defeat by Rochester but Work is Better Friday.

Ten errors to Rochester's two. Such is the story of last Tuesday's travesty on the national game. Harding, the visiting pitcher, received good support and tightened up in dangerous moments. Royce and Ogden were hit freely at opportune times and received ragged supoprt from an erratic infield. Cold, threatening weather made fast baseball impossible.

Rochester scored twice in the first inning. After Chesbro had fanned, Schoen hit to Gow, who fumbled, allowing the runner to reach second. Skiff reached first when Ogden fell, attempting to field the easy bounder. Miller threw wild to McLouth on the next play and both Schoen and Skiff scored. In the second, hits by Yorkey, Caulkins, Skiff and Schoen and some daring base running netted the visitors three more. Again in the fourth, fifth, sixth and eighth innings, combining hits with Hamilton's fielding errors, Rochester scored almost at will.

Harding was master of the game throughout. Although Hamilton secured nine hits off his delivery, they were well scattered. Gow scored in the second on his own single, a stolen base and Griffith's hit to center. Again in the third, Royce and Ogden scored on their own hits, errors by Harding and Forsythe and Cheese's Texas Leaguer. In the fifth Ogden tripled and came home on Erhardt's sacrifice. Eight Hamilton men were left on bases during the game and four Rochester men.

Boost Track.

The Track Team will meet Union this afternoon. If Hamilton wins it will mean that the College has one of the best teams in its history for Union is known to be unusually strong this year. The Coach is promising nothing except that the meet is going to be a good one. He asks, however, very particularly, that the whole College will turn out and back the Team just as it would at a baseball or football game against Union. He believes that cheering and other show of interest by the College out there on the field this afternoon can be a large factor in bringing success to the Team. A crowd of Hamilton men along that track this afternoon will be just the necessary magnet to pull some blue jersey through to the tape a little to the good of the garnet.

Make Banks break that high jump record again. Help Ted Jessup put two more first places to his credit. "Fritz" Lee has it in him to beat LeBarron in the 440 and George Potter is out to equal Riddell's best. It is for the College to make them do it.

The Track Coach.

Life gives voice to a strong and strengthening sentiment on the Hill in bringing up the subject of Mr. Floyd Risley and his work with the Track Team this spring. Mr. Risley was secured by the department to coach the team only at the last moment before the outdoor season began and at a time when the prospects of turning out a presentable team seemed the most dismal. Although he had coached the team last year with good success, he had not intended to take up the work again this year. In fact, the remuneration itself was not sufficient to make it worth his while. But Mr. Risley was a true sportsman, and seeing how badly he was needed here, while cherishing still that love for the cinder track and the jumping pit which the days under Mike Murphy had so deeply ingrained in him, he finally agreed to take over the work, giving up his afternoons for the entire season for the purpose.

Mr. Risley's first visit to the Hill as coach, along in the second week of April, showed him anything but a promising prospect. In spite of the repeated calls for candidates which had been made, less than a dozen men were reporting regularly for practice, and most of these were new men whose ability had yet to be shown. Scarcely a star from last year's group remained. Wenigmann, Riddell, Eggleston, Eells, were gone to a man. After the coach had been on the Hill a few days, however, men began to report for practice, old candidates and new, until, with the first meet only three weeks away, the coach found a large and earnest squad on his hands from which to turn out almost an entirely new team.

How well Mr. Risley succeeded it is too early to say with any surety. The two meets this week will finish the season and then will be the time to judge. But the Rochester meet showed conclusively that the season is not and can not be an entire failure. A decisive victory over such a rival, one that fully expected to win, counts for a good deal. Furthermore, not a whisper is heard now of not entering a team in the Intercollegiate, a suggestion which was openly voiced more than once early in the season.

Now as to the purpose of this whole discussion, which might otherwise seem premature at this time. **Life** believes that every man who is interested in the track athletics of Hamilton College, whether a member of the squad or not, wants to see Floyd Risley retained as coach for next year and perhaps subsequently if possible. While not advocating a long-term contract, **Life** thinks it would be advisable for the department to make an agreement with Mr. Risley on terms acceptable to himself, which would necessarily imply greater remuneration than he is receiving this year, whereby his services as coach will be assured for next year at least. And as in another week his work on the Hill will be finished for this year, **Life** takes this opportunity of thanking him in behalf of the College for his work which was prompted so largely by pure generosity. May his relations with Hamilton continue.

* * *

The College Songs.

There seems to be an unusual lack of familiarity in College with some of the Hamilton songs. Perhaps it is not unusual, but at any rate it is more noticeable than it should be. It seems almost inconceivable, and yet **Life** has reasons to suspect that some of the Freshmen do not even know all of the words of "Carissima" perfectly. As to the other songs, the lack of familiarity is due more to infrequent rehearsals than anything else, although it is true that many of the men are careless and tardy in learning them. This fact has been shown recently in the cases of the two new Hamilton songs, "Our Lady of the Hill" and "Broad Skies of Hope," both of which, written by and for Hamilton men, have been accepted as true and worthy Hamilton songs. They can fill their place as such only when they have been learned by heart by every undergraduate, as they have not been as yet.

In this connection it might be well to mention a matter which has come to the attention of **Life** recently, that is, that certain members of the Faculty have remained covered during the singing of "Carissima" by the College. The matter may seem unimportant to those who are not Hamilton alumni, but here on the Hill where sentiment is high it is bound to attract attention. It is just a matter of courtesy after all and **Life** believes that the suggestion will be appreciated by those whom it concerns.

MRS. BESLY MAKES ADDRESS

Mrs. Kathleen Besly, President of the Drama League of Chicago, addressed about fifty of the students in Truax Hall on Saturday morning Mrs. Besly was formerly the president of the Drama League of America which started some three years ago Under her leadership the League has grown into a very powerful organization and is now divided into twenty-four chapters throughout the country with over eight thousand members.

Mrs. Besly told of the important work the League is doing in influencing the theatre-going people to demand good drama. She said: "We want to create a demand for better drama, more uplifting drama, something worth while."

The League operates through three departments. The play-going committee attends plays on the first night in the opening centers of the country and issues bulletins containing a critique of the play if they approve. They ignore plays which they do not approve. The educational department of the League issues literature with the purpose of educating people to appreciate drama. The third department is the publicity department which solicits League membership through magazine articles and travelling representatives. Mrs. Besly spoke very interestingly, citing many instances to demonstrate the important work the League is doing. A chapter has been started in Toronto and Mrs. Besly said they hoped soon to make the League international by founding a chapter in London.

ELECTIVES TO STAND

"No student may change his program of studies for the year unless upon written application to the Chairman giving reasons satisfactory to the Committee," reads a statement given out Friday afternoon by the Schedule Committee of the Faculty. This means that it will now be difficult to change electives after the cards are in, and that election will have to be made more carefully than heretofore when no restriction was placed upon a change of mind.

The cards which have been given out must be returned by June 1 and be made out to stand permanently. This regulation making changes in election possible only upon written application to the Committee will do away with confusion in the arrangement of the schedule that has existed in past years. It must also be remembered that all courses are now for the year, and a course must be elected for the year.

The statement follows:

"At the end of Freshman, Sophomore, and Junior years, respectively, studies for the succeeding year must be elected. The choice of studies for the year must be made not later than June 1. All elective cards must conform to the general regulations for the studies of Sophomore, Junior and Senior years, and all courses must be numbered and indicated as in the Summary of Studies in the Bulletin.

"A student not returning his elective card properly filled on or before June 1, will have studies assigned to him by the Committee on Schedules and Studies.

"No student may change his program of studies for the year later than 3 p. m. of the day next before the opening of the first term, and then only upon written application to the Chairman, giving reasons satisfactory to the Committee."

LATIN PLAY UNDER WAY

Consistent Work on "The Captives" Promises Successful Performance

The cast of the Latin play has been working steadily on the parts and has fallen into the spirit of the play in such a way that a most successful performance of Plautus' "The Captives" is assured. Invitations have been sent to most of the college and preparatory school Latin professors of this State. The affair has been advertised considerably in Utica and Prof. Chase confidently expects a large atendance.

The performance will be given during Commencement Week on Friday evening, June 20. The stage will be placed on the terrace at the east side of the Chemical Laboratory Building and the dressing rooms will be within the building. The seats for the audience will extend back to the tennis courts. Arrangements have been made to extend wires from the building and that part of the Campus will be brightly lighted with electricity. If it rains that night the performance will be held in the Gymnasium. At the performance the Club will distribute programs containing a synopsis of the play and a translation of the more difficult passages.

The music, which plays an important part in the production, is divided into two groups, the Incidental and the Entr'act. The Incidental music consists of the actual songs sung by the ancients and accurate imitations of the same. Prof. Chase has obtained permission to use the music of the late Prof. Allen of Harvard, whose transcriptions are among the best. This part of the music forms the background to the play and is rendered by two clarinets and a flute which will be placed in back of the stage and conducted by Prof. Chase. The Entr'act music consists of songs with the Latin words sung to modern tunes. The Delphic Hymn to Apollo will be included among the selections. It will be rendered by a group selected from the Glee Club, if possible.

The costumes will be faithful reproductions of those worn at the time of the play. No masks will be used but only elaborate make-ups.

One fact which reverts considerable credit to the Latin Club is that every member of the cast is a bona fide member of the club. No outside assistance has been received. The club includes four members of the Charlatans cast who with Caldwell Thompson are taking the most important parts in the play.

Groves, '13, Kimball, '15, and Bissell, '14, are the managing committee.

CHAPLAIN GROVES AT Y.M.C.A.

Chaplain L. R. Groves, '81, spoke at the Y. M. C. A. meeting last Sunday afternoon in Silliman Hall. Mr. Groves said that the men among whom he had worked for the past thirteen years, the American soldiers, were most representative of the great mass of American people. "In them," he said, "I see the needs of the great mass of our countrymen and in you college men I hope I see their helpers and their leaders." The speaker said that every college man was a debtor to Humanity because of the opportunities which he had been given, showed how that debt could be paid by answering to the needs of the people, and closed with a stirring appeal to the college man to prepare himself for a life of service.

There will be no Y. M. C. A. meeting in Silliman Hall next Sunday. The regular Sunday Chapel, however, will be given over to a report by the retiring president of the Association and a few remarks from his successor.

SEMI-FINALS IN TENNIS

Three rounds of the Tennis Tournament have been played off. Of the survivors, Ted Jessup is paired off with Williamson and Clapp with Callahan for the semi-final round. The results of the third round were as follows: T. Jessup defeated Beer, 6-3, 6-4; Williamson defeated Eells, 6-2, 6-2; Clapp defeated Ristine, 6-2, 6-2; and Callahan defeated Griswold, 6-3, 6-3. A doubles tournament will be started some time this week. The entrance fee is 25 cents.

—The English Lit. Club will meet tomorrow evening in Professor Ristine's rooms to discuss the works of Thomas Hardy.

THE HOBART GAME.

Friday afternoon, on Steuben Field, the Varsity had no trouble in defeating Hobart. The visitors were unable to score, although several runners reached second and third, only to be thrown out or left on bases after fast work by the Hamilton infield or effective pitching by Royce.

It was a cold, muggy, thoroughly unpleasant afternoon. Flurries of rain and a biting wind soured the spectators and augured a disagreeable initiation of Interscholastic Week. The Hamilton team showed none of the lethargy so painfully evident on Tuesday against Rochester. The infield was fast. Throws were accurate. Higgins played second and Griffith was shifted to third. The change was aparently a good one. The Varsity hit the ball well, but, at opportune moments, a timely hit would have meant a brace of runs. There was scarcely an inning that Hamilton men were not left on bases and the score should have been double the final result.

Hamilton scored five runs in the opening inning. Gow hit to center. Erhardt struck out and Cheese was out on a high fly to left. Ogden singled and advanced Gow to third. Turnbull hit to deep left for three bases and Gow and Ogden scored. Higgins hit to right scoring Turnbull. Griffith's easy grounder was fumbled and Miller's hit scored Higgins and Griffith.

In the sixth, Royce singled to left, was advanced to third on Gow's single and both scored on Cheese's hit. In the seventh, Higgins scored the run, when he reached first on Howe's error and came home on Wood''s poor handling of Royce's hit.

Royce pitched a consistent game, striking out nine men and allowing four passes. Cheese's error, the only one made by the Varsity, is easily excusable. It was a difficult one to handle and his good work throughout the game more than made up for his one mistake.

COUNTY SCHOLARSHIP PLANS MATERIALIZE

Publicity Committee Announces Seven Already Provided and More Assured.

As a result of a report made by Dr. W. H. Squires of the Faculty at a meeting Friday evening, the Publicity Committee will at once take measures to put the Hamilton College County Scholarship plan in operation in seven counties of the state. Five counties which will receive scholarships are Monroe, Wayne, Herkimer, Jefferson, Oneida; the other two will be determined this week. The scholarships, as Dr. Squires reported, are worth $100 and will be offered for five years in each county provided for. Regulations governing their award will be determined in detail this week and copies sent to principals of High Schools asking their co-operation in interesting students. These scholarships will be awarded on a basis of highest standings of candidates as determined by Regents' Examinations of the Education Department of the State of New York; but the acndidates must be without conditions and have an average standing of not less than 7 in all subjects involved in the minimum entrance requirements of Hamilton.

It was about six months ago that Dr. Squires on authorization of the Publicity Committee began an investigation of the feasibility of awarding scholarships in the different counties in the state, a plan which has been in operation at Cornell for a number of years. He now reports financial support for seven with the promise of as many more before June. The Committee is greatly pleased with the readiness with which the plan has been taken up by Alumni Associations and Classes as well as by private individuals, and though no action has been taken by the Trustees in the matter, their support is regarded as assured.

Pending action by the Trustees the Publicity Committee, through Dr. Squires, will be aggressive in pushing the plan through. Further opportunity will be extended to possible donors of scholarships in other counties, high school students will be informed of the rules governing the contest as thoroughly as possible before June. A new factor has entered into the probable success of the Scholarship plan in the form of 750 State Scholarships provided by a recent law now in effect. The State Scholarships provide tuition for four years in any approved college or university in the State. The basis of award is the same as for the Hamilton County Scholarship, and the winner of a State Scholarship wins also one of $100 for Hamilton. No restriction is placed by the State upon the college the student chooses, and the additional $100 which he may win by coming to Hamilton cannot fail to be a strong inducement.

At the same meeting the Publicity Committee appointed Samuel Hopkins Adams, '91, to arrange for wiring and lighting the Campus for Commencement Week. On authorization of the Trustees the Committee will complete the work of the Centennial Committee by sending letters to Class Secretaries and all Alumni urging them to come to the Hill for Commencement.

BANKS BREAKS COLLEGE RECORD FOR HIGH JUMP

Jumps 5:9 1-4 in Interclass Handicap Meet. Juniors Victors by Good Margin in Annual Spring Games.

The Juniors were the easy winners of the Interclass Handicap Track Meet held on the Hill last Thursday afternoon. with a score of 51 points. The Sophomores were second with a score of 34 1-2 points, the Freshmen next with 31 1-2 points and the Seniors last with 24 points. Undoubtedly one cause of the Seniors' low score was the absence of Wenigmann from their team.

The feature of the Meet was the breaking of the College record in the high jump by Banks, '16, who bettered the former height of 5 ft. 8 in. by an inch and a quarter. As Banks is a Freshman this year it is expected that the new record of 5 ft. 9 1-4 in. will be bettered by himself before he gets through.

The 100-yard dash was one of the most hotly-contested events. The first heat went to Davis who had a four-yard handicap. while Potter, running from scratch, was boxed and did not place. Robinson was second. The time was 10:2. The next two heats were won by Lee, '15, and McMillan; both were done in 10:3. The final went to Davis in 10:1 with Lee,, runing from scratch, only a few inches behind.

The half mile went to Carmer who ran from scratch. It was a free-for-all the whole way through and was done in 2 min. 13 sec. Abernathy and Miller were the dark horses in the shot put with four and five feet handicaps, respectively. Pope managed to cop the pole vault with the aid of a handicap of a foot and a half while the broad jump was won in the same manner.

Summary of events:

100-yard dash: Won by Davis, with 5 yards; Lee, '15, scratch, second; Robinson, 1 yard, third; McMilanl, 5 yards, fourth. Time 10 1-5 sec.

Mile run: Won by Ingersoll, 30 yards; Keddy, scratch, second; Prescott, scratch, third; Nichols, scratch, fourth. Time 4 min. 56 3-5 sec.

120-yard hurdles: Won by Leavenworth, scratch; Weaver, 4 yards, second; Dayton, 3 yards, third; Jessup, 2 yards, fourth. Time 18 1-5 sec.

440-yard dash: Won by Davis, 15 yards; Lee, '15, scratch, second; Lee, '14, 6 yards, third; Shaul, 6 yards, fourth. Time 54 sec.

Two mile run: Won by Mattoon, 80 yards; Keddy, scratch, second; Hulbert, 130 yards, third. Time 10 min. 53 sec.

220-yard hurdles: Won by Shaul, 3 yards; Leavenworth, scratch, second; Robson, scratch. third; Hahn, 3 yards, fourth. Time 28 sec.

880-yard run: Won by Carmer, scratch; Hahn, scratch, second; Prescott, 15 yards, third; Lee, '14, 10 yards, fourth. Time 2 min. 13 sec.

220-yard dash: Won by Lee, '15, scratch; Robinson, 2 yards, second; Mowris, 3 yards, third; Waterman, 5 yards, fourth. Time 23 2-5 sec.

16lb. shot put: Won by Abernathy, 4 ft.; Miler, 5 ft., second; Eddy, 4 ft., third; Jessup, scratch, fourth. Distance 37 ft. 7 in.

Pole vault: Won by Pope, 1 ft. 6 in.; Clapp, 3 in., second; Weaver, 1 ft. 6 in., third; Bushnell, scratch, fourth. Height 9 ft. 6 in.

High jump: Won by Banks, scratch; Callahan, 4 in., second; Myer, 5 in., third; LaForce and Milelr, 6 in., tied for fourth. Height 5 ft. 9 1-4 in. (New College record.)

Hamer throw: Won by Jessup, scratch; LUaForce, 35 ft., second; Thompson, 5 ft., third; Pope, 40 ft., fourth. Distance 12 ft. 4 in..

Broad jump: Won by LUeavenworth, 1 ft. 6 in.; LUe, '15, scratch, second; Banks, scratch, third; Davis, 1 ft. 6 in., fourth. Distance 20 ft.

SMOKER ENDS WEEK.

Interscholastic Week was brought to a close on Saturday evening by the Smoker in Comomns Hall. Prof. Lewis made a plea for a bigger Hamilton and urged the sub-Freshmen to realize the value of a college education and to consider the claims of Hamilton as a college of high ideals.

Dr. Stryker then distributed the prizes won in the Interscholastic Meet. The silver loving cup was awarded to Canton High School and gold, silver and bronze medals were given to the winners of first, second and third places in each event.

EX-PRESIDENT TAFT COMING

With the announcement which appeared in last Friday's papers that former president William H. Taft will be here at Commencement to receive the degree of Doctor of Civil Laws awarded to him last June comes the announcement of prominent men to whom the Trustees awarded degrees at their last meeting. Master of Arts degrees were granted to Mr. W. E. Ogilvie, President of the United Railroads of Havana, Cuba; William A. Shanklin, '83, President of Wesleyan University; Hon. E. M. Basset, '84, of New York, ex-Congressman, and Mr. Boody.

An LL. D. degree was awarded to Hon. Andrew Carnegie at any time he should come to the College to receive it. Degrees of Doctor of Divinity were awarded to Charles S. Park, '85, of Hudson; Rev. Theodore S. Pond, '60, of Caracas, Venezuela.

All who receive degrees are required to come to Hamilton in person to receive them.

STATEMENT FOR 1917 MEN

For the benefit of the men of 1917 the Catalog Committee of the Faculty gives out the following statement. It is materially the same as for previous years, with the exception of the last clause which requires Freshmen to make their election of a modern language or Elementary Greek the day before the opening of the first term, September 17, in accordance with the new regulations described in the Bulletin:

"All new students are required to register on the day before the opening of the first term. For this purpose a member of the Committee on Schedules and Studies will be in the Library from 10 a. m. to 12 m. and from 2 to 4 p. m. On this day all Freshmen will receive their program of studies for the year; and those who under the regulations for the Studies of Freshman Year elect a modern language or elementary Greek will then make their election."

PRIZE SPEAKERS CHOSEN

—The McKinney Prize Speakers are as folows: Juniors, Bissell, Felt, Lee, Regin; Sophomores, Kimball, Keddy, LaForce, McNair; Freshmen, Callahan, McLean, Muir, Robson.

RECEPTION AT Y. M. C. A. OPENS INTERSCHOLASTIC

Guests from Many Schools Hear Speeches of Welcome. Interclass Medals Awarded.

Friday night was Y. M. C. A. night on the Hill, and the College turned out to welcome the many preparatory school guests who were here to compete in the Interscholastic Track Meet and Prize Speaking Contest on Saturday. The building was crowded and the visitors enjoyed short speeches of welcome by President Stryker, Prof. A. P. Saunders, Dan Chase, and several undergraduates.

Before the speeches the time was spent in getting acquainted and singing College songs. The medals won by undergraduates at the Interclass Handicap Meet the afternoon before were awarded to first- and second-place men by Prof. A. P. Saunders with a few characteristically humorous remarks.

George Lyon, President of the Senior Class, was the first one called upon to welcome the prep school men and he did it in his usual clever style. He started off by saying that this was the worst college in the country and that if his listeners had heard it called a pretty fine place someone had sadly misinfirmed them. He said that the Faculty here was absolutely the worst he ever knew and that every man was a snob. "It is positively the worst small college going," said George. The bursts of laughter which greeted his "scurfs" showed that the visitors did not lack a sense of humor. Prof. Saunders then welcomed the visitors and awarded the "solid gold" medals and "finely chased" ornaments. Royce, captain of baseball, "the man in the middle of the diamond who pitched his team to victory," was called upon to speak a few words on athletics. He explained Hamilton's system of clean athletics and said that there was no reason why any man who came out for a team should not be treated fairly.

Pres. Stryker spoke next and emphasized the point that one should go to college for knowledge, and that athletics should be considered a secondary matter. Director Chase was the next speaker and as usual he had a goodly store of puns and other varieties of humor. He also made some serious remarks on the value of a college training. Leavenworth, "the last speaker on the negative," as he introduced himself, refuted Lyon's opening statements about the college and gave a few reasons for considering it "the best ever." President Barnes of the Y. M. C. A. ended the speaking with a talk on the spiritual side of the college man's life.

PREP BASEBALL LEAGUE

The County Baseball Leagues are proving a great success. In the Oneida County League on Saturday Rome took revenge on Utica beating them by the score of 7 to 6. A week ago today Rome defeated Camden 29 to 0.

In Oneida County League Clinton High School still stands undefeated. On Saturday Clinton defeated the New Hartford aggregation with 25 runs to their opponents 1.

In the eastern division of the Delaware County League last Thursday Margaretville defeated Griffin Corners 18 to 5.
